ASSIGNMENT

For good and valuable consideration, the sufficiency of which is acknowledged, we the undersigned Brian Stanley Lock of Lee, New Hampshire, Gail M. Breck of Milton, New Hampshire, David Alexander Brousseau of Barrington, New Hampshire, Ronald S. Fitzpatrick, Jr., of Center Barnstead, New Hampshire, Paul Playdon of Rochester, New Hampshire, Kiet H. Tran of Somersworth, New Hampshire, and Kevin Allen White of Somersworth, New Hampshire, hereby:

Sell, assign and transfer to Enterasys Networks, Inc. a Delaware corporation having a place of business at 50 Minuteman Road, Andover, Massachusetts 01810, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent, bearing attorney docket no. E0378.70187US00 and titled **METHOD AND APPARATUS FOR NAVIGATING THROUGH A TASK ON A COMPUTER**, and in said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority;

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, we agree to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to us relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;

Request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee;

Authorize and request Wolf, Greenfield & Sacks, PC to supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation;

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.

This instrument is executed under seal.
